

NORNE

LEGACY

DIGITAL RESTORATION
ARCHIVAL PRESERVATION & ACCESS

MEMORIE COMUNI

LOCAL HISTORY IN A SHARED ARCHIVE

TIME PASSES, STORIES ENDURE. WE MAKE THEM TIMELESS.

Norne Legacy is a studio specialized in the **digital restoration** and **cultural enhancement** of photographic, audiovisual and sound materials.

We work with archives, public institutions, municipalities and cultural organizations to make images and documents from the past **readable**, **accessible** and **shareable** once again.

From this work comes **Memorie Comuni**, a project dedicated to the creation of **municipal photo libraries** and **shared archives**, designed to preserve the **memory** of local **territories**.
